FACTS ABOUT CCS MAILORDER

At CCS we are skateboarders and have been selling the top skateboard products since 1975. Here's some things you might like to know...

- **Why CCS Mailorder?** The no-hassle factor, the product is exactly what you want, the phone call is free, you don't need a parking place, and your stuff comes directly to your door. How simple can it get?

YOU DON'T LIVE
IN CALIFORNIA,
NO SALES TAX IS ADDED.

- **Most orders ship within 48 hours.** So for some places, you can order on Monday and have your new stuff by the weekend. Ask your sales person how long shipping usually takes to your city.

- **Is an item in stock?** When we take your order, we'll let you know and when you can expect to receive it. If we are out of an item, we will back-order it for you and ship it automatically when it comes in — charging you only when we ship.

- **We want you to be happy with your purchase.** If for some reason you are not, read the return instructions on the order form. Or, if it's missing, call customer service at 1-800-477-9283.

• Can we brag a little? Nobody has the selection of great products we have. But that's not luck. We spend hundreds of hours testing and selecting products for you to choose from (yep, we know how lucky we are), just to be sure we have absolutely the BEST and best stuff so we won't disappoint you.

Kareem Campbell and Bill Pepper.

- **It's faster to order by phone. But if you prefer to mail your order,** we will try to process it within 24 hours and then ship within 48 hours. We will notify you by mail if you ordered an item that is not in stock. We can ship when available or refund your money — your choice.

- We do our best to try and not carry **graphics and designs** that may be offensive to anyone. However, skateboarding has always celebrated the individual and has supported non-mainstream ideas. Please keep this in mind when looking through the catalog. We have tried to provide many choices in each product category so you can find something appropriate for you. If you have any questions on a graphic or design, call our sales staff. They will be glad to help you.

Years skating: 12

Set up: Shorty's Muska board, Black Magic grip, Dooks risers, Ghetto Child wheels, Black Panther bearings, Fury trucks, and Shorty's hardware.

Favorite terrain to sk8: All downtown street spots across the world

First trick learned: Carve over light in pool **Last trick learned:** Pop shove it to nose grind down rails
Music that inspires me: Music that inspires me to skate is the music I make myself and I get inspiration from all sorts of old soul and jazz, too.

Hobbies: Skate, make music, computer design, travel, party

Favorite food: Japanese, Italian

Motivation: My motivation for skateboarding is to just progress as much as can and to do things that people thought would never be possible. Music also has a lot to do with my motivation.

Words of wisdom: Always sk8 for fun no matter what. If you want to get sponsored that's dope, but don't let it take over and make you forget why you sk8 in the first place . . . to have fun!!!!

Sponsors: Shorty's skateboards and all their products, TSA, Ghetto Child, Fury Trucks, CCS Mailorder.

Thanks: Thanks to all my sponsors, and the whole Shorty's mob, and an extra big shout out to all the kids out there that support me. Thanks!!!!!!!!!

DECKS come with free  grip tape of your choice—see page 27. Decks are available with wood or slick bottoms and come in a variety of sizes, listed with each deck. Wood decks are constructed of 7-ply maple. Slicks have an additional thin layer of plastic on the bottom which allows them to slide easier. Personal preference and experience best determine what size deck you should ride.

Background colors on decks may vary. The decks on pages 8-19 and 35 are good for all types of skating.

BUILD A CUSTOM COMPLETE Step 1—Decks. Choose any deck from pages 8-19 or 35. Write your choice on the "Custom Complete Skateboard Order" form. The complete price listed under each deck includes premium parts, silver trucks and any \$5.99 wheel. You can upgrade your complete for additional cost—look for the  symbol on pages 20-21, 26 & 28. See page 35 to build your own CCS Brand complete. Next go to Step 2—Trucks on page 21.

LONGBOARDS / BIG & SOFT WHEELS

Good for cruising and transportation. Big and soft wheels complement longboards by rolling smooth and fast. For best results use extra risers and wider trucks. CCS recommends Independent 156mm, 166mm, or 215mm trucks. Choose a truck with an axle width close to your deck width. To build a complete, follow the instructions on the "Custom Complete Skateboard Order" form.

TRUCKS SILVER \$16⁹⁹ EACH COLORED \$18⁹⁹ EACH
Trucks come in various heights and widths. Truck axle width should be closely matched to your deck width—or just a little wider. Truck heights only differ by about 1/4". If you use bigger wheels then you should either use higher trucks, risers, or both to avoid wheelbite (contact of wheel with deck).

WHEELS \$5.99 each

There are two things to consider when choosing a wheel: the size and the hardness. The size is the diameter (height) measured in millimeters. The hardness is measured using the "A" durometer scale. The higher the number, the harder the wheel... the lower, the softer. Most of our wheels are good for street, ramp, and technical skateboarding. For cruising, look for big and soft wheels on page 19.

23

BUILD A CUSTOM COMPLETE Step 3—Wheels. Choose any wheel from pages 22-25, 19, or 35. Write your choice on the "Custom Complete Skateboard Order" form. The complete price listed under each deck includes premium parts, silver trucks and any \$5.99 wheel. You can upgrade your complete with Big & Soft Wheels, or XT Dirt Wheels—look for the  symbol on page 19.
